SPONSOR

ST. ALOYSIUS

St. Aloysius, sponsor of the school, is legally mandated to provide oversight, monitoring and technical assistance. To do so, the performance of the school on each of the required Ohio School Report Card indicators is assessed and evaluated. Additionally, St. Aloysius is a regular participant in school board meetings where students' academic progress through results of short cycle assessments, financial and other organizational issues are reviewed and discussed. St. Aloysius also reviews the school's Ohio Improvement Process (OIP) focused plan, implementation and Management/Monitoring (IMM) tools which have a significant impact on overall school performance. Through these evaluation strategies, this school is substantially compliant with the rules and regulations governing community schools.

All community school sponsors are required to submit a written report of the evaluation results of the school's academic, financial and organizational performance as well as the school's legal compliance to the Ohio Department of Education. This report must be made available to parents of students enrolled in the community school by November 30th of each year (OAC 3301-102-05 (A) (3)). An Annual Report regarding the performance of this school and other schools under the sponsorship of St. Aloysius will be posted on our website www.charterschoolspec.com no later than November 30, 2016. Parents are urged to review this report as well as other monitoring and evaluation reports available through the school or the sponsor for a full understanding of the school's performance.
