

4-20-20

Dear Imagine Madison Avenue School of Arts Family,

Governor DeWine has announced that schools will remain closed for the remainder of this school year. In the meantime, **virtual instruction** will continue for our scholars at Imagine Madison. If you were unable to make it last week to pick up your scholar's instructional packet, we have since mailed them out to the address that is in our database. If you have any questions regarding the virtual instruction that your scholar's teacher is providing, please reach out to your scholar's teacher or call the main office for assistance (419-259-4000). The Imagine Madison Avenue School of Arts staff will be here for you and we will get through this together!

Despite the current circumstances, the Imagine Madison staff is working on a plan regarding our annual kindergarten and 5<sup>th</sup> Grade moving up ceremonies. We will be communicating information about our plans for these special ceremonies soon! We are fully dedicated to figuring out a plan to honoring our kindergarten and 5<sup>th</sup> grade students, following CDC guidelines, as it is an Imagine Madison tradition!

While expected, I know how devastating this is for our scholars. I am so sorry that this is how we have to end our year and our staff is devastated that we are in this situation. Remember, our classroom teachers have office hours from 10:00-1:00 Monday-Thursday to answer any of your questions or concerns. We are here for you! **Remember, Imagine Madison is still in session only in a different format.** Please make sure to connect your scholar to our **virtual learning as it is very important for them to be prepared for the next grade level.** Please contact your scholar's teacher if you have any questions regarding the virtual learning platform of instruction at Imagine Madison.

Parents, we need your help. We will need all of our scholars to make sure that they are following the plans from their classroom teachers, watching the pre-recorded lessons posted on class dojo and Facebook, and logging into their virtual assessments on Fridays with their classroom teachers. In a few weeks we will be making important decisions regarding the promotion of your scholars to the next grade level. **Participation in the virtual learning will strongly determine if your scholar is in fact a candidate for promotion to the next grade level.** Once we get closer to the last day of school (May 22<sup>nd</sup>), we will communicate our plan to collect the completed instructional packets and any Chromebook and or Kindles that were signed out for use from Imagine Madison.

If you are in need of any resources, please contact our Parent liaison (Mark Williams) at 419-259-4000. If we can't meet the need, we will point you in a direction that can assist with your needs.

Please stay safe and healthy – we love you!

Educationally Yours,

*Lindsey Day*

Mrs. Lindsey Day (Proud School Leader)
