February 2020

Imagine Madison, an A+ Community School, believes that strong, positive, and successful parent school partnerships are key to student success. Therefore, Imagine Madison invites parents to participate in the classroom and attend school events to witness the wonderful things we offer our students.

MESSAGE FROM THE PRINCIPAL

As indicated in the previous parent letters, research has proven that when parents are involved at school, students gain higher grades, test scores, better attendance, more completed homework, more positive attitudes and behavior!

Accordingly, one of our school-wide goals is to increase parental involvement at school. To do so, we are inviting parents to come to Imagine Madison and visit our school and classrooms, to see all of the wonderful things that we offer! Such "Parent Drop Ins" can be coordinated through our Parent Liaison, Mr. Williams. For more information on this initiative, as well as other ways in which you can involve yourself in your child’s education, please contact Mr. Williams. We look forward to seeing you at Imagine Madison soon!

In addition to classroom visits, please see the additional opportunities that are coming up for parental involvement at Imagine Madison:

• Monthly PTO Meetings
• Monthly Family Nights -February Guardian Get Down
• School-Wide Spelling Bee

• Night Under the Stars Student Spring Performance in May

Black History Month, or National African American History Month, is an annual celebration of achievements by Black Americans and a time for recognizing the central role of African Americans in U.S. history. Since 1976, every U.S. president has officially designated the month of February as Black History Month. At Imagine Madison we are excited to celebrate Black History Month, as we have planned several engaging activities to supplement our curriculum during the month of February! Join us on February 28th, for our annual Black History student presentations and special dedication to Rance Allen (Grammy Award Nominee).
