MESSAGE FROM THE PRINCIPAL

Welcome back everyone! I can't believe that we are halfway through the 19-20 school year! We are making great strides with student achievement thus far. We want to keep that momentum going and are counting on you -our parents- to partner with us. In order for your scholar to get all that they can out of their education, they need to be in the classroom each day learning.

NO EXCEPTIONS

When it comes to your scholar’s education, every day matters. Many studies suggest that students with less than eight absences on average grew academically 23% more in reading and 19% more in math than students with eight or more absences.

EIGHT ABSENCEs - LESS THAN ONE DAY A MONTH OUT OF THE CLASSROOM – CAN NEGATIVELY IMPACT A CHILD’S ACADEMIC PROGRESS.

At Imagine Madison Avenue School of Arts, we want to see your child achieve. This is why it is so important to us that they are present each day. Please see the following tips for maximizing your child’s opportunity to achieve at high levels and ways to keep your scholar in class.

1. Establish a reasonable bedtime that allows for 8 hours of sleep.
2. Establish a back up plan for getting your scholar to school in case something comes up.
3. Only keep your scholar at home if they are really sick (fever, vomiting, or a contagious illness).
4. Schedule doctor appointments during school breaks, or before/after regular school hours when necessary.
5. Plan family vacations around holidays or other times off from school so that your scholar will not missing any learning.

Thank you for partnering with us in the education of our future!

-Lindsey Day, (Proud School Leader at Imagine Madison Avenue School of Arts)
