IMAGINE MADISON AVENUE SCHOOL OF ARTS

November 2026

MESSAGE FROM THE PRINCIPAL

Wow, I can't believe that the first quarter of learning for our students is over and November is here! I am making a great effort to simultaneously acknowledge and appreciate the significant things that happen in our school everyday. I see clear examples of Imagine's Six Measures of Excellence with our students and our families. Please see examples below:

- **Parent Choice and Satisfaction** – Currently, we have a waiting list for several grade levels because the parents in Toledo and the surrounding area believe in Imagine Madison and love the way we are educating their children!
- **Economic Sustainability** – Imagine Madison is working hard to ensure a balanced budget. We are securing grants to increase student resources.
- **Character Development** – Our students are aware of the school wide character goals and have established classroom goals and personal learning goals. In addition, Imagine Madison is involved in multiple community outreach programs within our community.
- **Academic Growth**- Currently, our school provides a school-wide daily RTI/Success time that provides our students with intensive remediation in the areas where they are struggling.
- **New School Development**- Imagine Madison is involved in showcasing our students within the community and showing the community all of the wonderful things that we do for children!
- **Shared Values**
  - **Integrity** – Imagine parents ensuring that their students are here and on time everyday.
  - **Justice** - Imagine parents making the choice to send their child to a school of choice vs. the traditional public school.
  - **Fun** – Parents having a voice and feeling valued to provide feedback.

Every School Day Counts Chronic Absenteeism

We know that life happens—children get sick, appointments come up, and sometimes a day away from school is necessary. At the same time, we want to help families understand the difference between an occasional absence and **chronic absenteeism**. In Ohio, a student is considered **chronically absent when they miss 10% or more of the school year**, regardless of whether the absences are excused or unexcused. Our attendance goal to meet the state requirement is 95%.
